Hi Terri,

Trish is out today so I'll touch base with her tomorrow about this. I suspect we can handle getting back to this person so you can take it off your plate. Thanks.

hi Terri,

Thanks for your quick reply. I am a private citizen, resident of CAroline, NY.  
I'm just trying to get a solid understanding of the Dimock water results. CAN  
you direct me to someone who can help?

thanks, **Ex. 6 - Personal Privacy**
